

Bienville Parish Journal Cryptoquote

Instructions:

ZCIRPZCI is EINSTEIN

In Cryptoquotes, one letter stands for another. In the example above, Z is used for two E's, I for the two N's, etc. Single letters, double letters, apostrophes, the length and formation of the words are all hints. The code letters change with each puzzle.

TODAY'S CRYPTOQUOTE:

"JMNNXJJ UJ YBR SUYGV; SGUVMPX UJ YBR SGRGV: UR UJ REX
NBMPGAX RB NBYRUYMX REGR NBMYRJ." ~ OUYJRBY NEMPNEUVV

Previous Cryptoquote solution: "Life is trying things to see if they work." ~ Ray
Bradbury
