

## Summerfield Academic Foundation

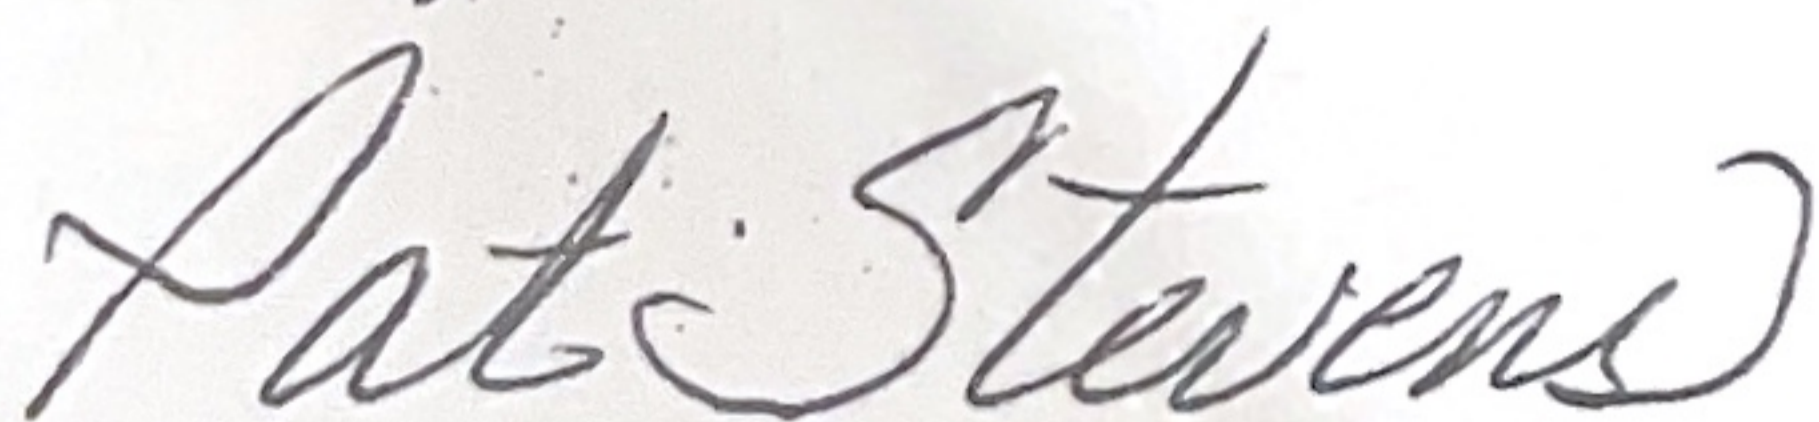

4200 Highway 9  
Summerfield, LA 71079

The Summerfield Academic Foundation is an organization that strives to support Summerfield High School by providing educational, athletic, and improvement opportunities to the student body, staff, and school facilities. Each year, we host a fish fry and auction as our main source of fundraising. Funds raised at this auction are then used to accomplish projects and activities for the school. It is almost time for our annual auction fundraiser which will be held on May 9th, 2026, at 5:30 PM. This auction is made a success each year by the generous donations we receive. We are currently seeking donations for this auction, and it is our hope that you will consider donating to or sponsoring this event.

To give examples of fundraiser ventures, funds from past auctions have been used to aid in purchasing an LED sign for the front of the school, as well as upgrading the sound system for our gymnasium. These funds have also been used for other improvements to the school's facility such as adding concrete and basketball goals to the playground, providing sheds for the playground, building a softball field, and building baseball dugouts. With the start of each school year, we are also able to host a school supplies giveaway event, where we provide all necessary supplies to each student in the school. It is such a blessing that our auction funds allow us to do this for the students, and we are fortunate to have been able to make this an annual event. Purchasing of library materials and teacher supplies, funding for an athletic banquet, and purchase of stage risers have also been made possible by funds gained from this auction. We also provide the D'Arcy Stevens Scholarship to two seniors in the amount of \$1000 each for their post secondary education. We have a number of future goals in mind for the betterment of our students, and it is primarily through funding from our annual fish fry and auction that we are able to see these goals become a possibility.

Thank you for your consideration in supporting our Foundation and our mission of improving the opportunities for the students of Summerfield High School.

Sincerely,

The Summerfield Academic Foundation
